BIOGRAPHY

DENY is a Bucharest-based DJ and producer shaping a forward-driven House, Afro House and Melodic House sound, built on groove, tension and emotion. He is the mind behind DENY & Friends, a long-running party concept at LOFT Bucharest, one of Romania's most influential clubs, where he curates lineups featuring respected international artists.

*He is also the co-founder of **EKLPS Music**, alongside Goldcher, a label focused on cutting-edge electronic music and underground club culture.*

DENY has played some of Europe's most important festivals, including UNTOLD, Electric Castle, Neversea, SAGA and SZIN, while expanding his presence globally with shows across Spain, Italy, France, Brazil, Indonesia, Thailand and the UAE, recently completing his first Asia Tour in 2025.

Driven by instinct and atmosphere rather than trends, DENY delivers sets designed for dark rooms, open-air dancefloors and long nights that blur genres and borders.
